## FACTSHEET

(Data as on 31<sup>st</sup> January 2026)

 **Arudha SIF**  
by Bandhan Mutual Fund

Investments in Specialised Investment Fund involves relatively higher risk including potential loss of capital, liquidity risk and market volatility.  
Please read all investment strategy related documents carefully before making the investment decision.

# Arudha Hybrid Long-Short Fund

An interval investment strategy investing in equity and debt securities, including limited short exposure in equity and debt through derivatives.  
31st January 2026

[Click here to Know more](#)

INVESTMENT OBJECTIVE

Arudha Hybrid Long Short Fund aims to provide a balanced profile of relative stability and low volatility, while being structured to potentially deliver superior risk-adjusted post-tax returns. The investment objective of the strategy is to generate optimal returns by investing predominantly in equity and debt securities, including limited short exposure in equity and debt through derivatives. However, there can be no assurance that the investment objective of the investment strategy will be realised.
